TO: V.J. St. Pierre, Jr. Parish President

FROM: Angela M. Robert, Supervisor of Animal Control

SUBJECT: 2011 Annual Report

I am pleased to report that in the year 2011 Animal Control took in fewer animals than the previous year. In 2011 Animal Control took in 1637 animals, 365 animals less than the previous. I firmly believe this decrease can be contributed to the low cost spay/neuter program that the St. Charles Humane Society offers our parish residents. Animal Control works diligently with the Humane Society to promote and accomplish this mission and many others.

Once again Animal Control along with the Humane Society put on its third annual Bark at the Bridge Park. The event was a barking success with approximately 600 participants. The Bark at the Bridge Park gave parish residents the opportunity to spend a day in the park with their pet, enjoy an animal themed afternoon, and shop at all the vendor booths. The event raised approximately \$8500.00; which is \$1500 more than the previous year. I have high hopes that each year of the event these numbers will continue to rise.

In 2011 the design that Campo had drawn for the new shelter was put to reality. In June 2011 Gee Cee Company along with the designs from Campo designs began construction on the new animal shelter building. I am very excited about this project. The new animal shelter is projected to be completed by the January 2012. The shelter staff, the community, and I look forward to this day.

Our Animal Control Department continues to provide and protect its residents with trained and knowledgeable employees. This year we are hiring two new employees to add to our family staff. This will help with maintaining the work load of the new animal shelter properly. Also, Animal Control, along with the St. Charles Sheriff's Department, and the D.A.'s office have pursued and prosecuted one-hundred sixty-seven cruelty/non-ordinance compliance cases in 2011.

Our department will continue to work hand and hand with other entities that are committed to the welfare of animals. We hope to set an example for all other parishes to follow.
